**[www.jewgether.org](http://www.jewgether.org) – THE FIRST-EVER HOSPITALITY SERVICE FOR  
JEWISH PEOPLE TRAVELLING WORLDWIDE LAUNCHES TODAY**

**WEBSITE WAS CONCEIVED BY ALUMNI OF THE TECHNION AND  
HAIFA UNIVERSITY STANDWITHUS ISRAEL FELLOWSHIP**

(Haifa, Israel) – Alumni of the Technion and Haifa University of the *StandWithUsIsrael Fellowship* announced today the launch of 'Jewgether.org', a website for hospitality services for the Jewish people. The first-ever of its kind, *jewgether* is a social network that helps traveling Jews around the world find Jewish people to meet and stay with. [www.jewgether.org](http://www.jewgether.org)

While traveling, one can send a message through the website to a person living in that country. It includes everything from sleeping at the host's home to Sabbath dinner.

[www.jewgether.org](http://www.jewgether.org) has a search engine that helps one find the right host. Search is possible by criteria including location, kosher level, denomination, number of visitors, gender and age. Members have already signed up from Europe, the Middle East, North and South America and Central Asia.

The *Jewgether.org* idea was initiated by 16 students from the Technion – Israel's Institute of Technology and the Haifa University in Israel. The students graduated the *StandWithUs Israel Fellowship*, a year-long program which empowers Israeli students to be informed, active, articulate and globally-minded future leaders. It is the only program of its kind endorsed by the Ministry of Foreign Affairs. [www.StandWithUs.co.il](http://www.StandWithUs.co.il).

"While hosting services for the general population and for specific focus groups have millions of satisfied customers, there was no such service designed for the specialized needs of Jews, be they secular, orthodox, reform or conservative," observes Jewgether.org general manager Tamir Einy. "Our goal is to strengthen the connection between Jewish people worldwide as well as between Jews in the Diaspora and Israel."

Michael Dickson, director of the StandWithUs Israel office offers, "Jewgether is a unique and exciting initiative that will help strengthen Jewish identity worldwide. I anticipate new connections will be made and existing relationships will be strengthened particularly between Israel and the outside world. We look forward to its exponential growth."

Einy simply predicts that Jewgether will sufficiently expand over the summer that, "all traveling Jews will be able to have a cozy Rosh Ha'Shana dinner."
